

# REALTY TRUST GROUP

## HISTORY

In December 1997, Realty Trust Group was formed by five established Portland real estate professionals in response to the growing trend in the real estate industry toward consolidation, a focus on transactions rather than relationships, and anonymous out-of-market corporate ownership. The partners of Realty Trust Group envisioned a real estate company that was locally-owned, successful by the highest standards, and respected by clients and professional peers.

## VALUES

Realty Trust Group is committed to providing:

- superior expertise and professionalism in every transaction
- intimate knowledge of the Portland area market
- excellent service to earn the trust of its clients
- an environment in which partners, agents and staff work together as a group.
